It has been fun having Study Hall with you this year. Even all the fun we have had, because I never will forget. May the best come to the sweetest and cutest boy I know. Hope to see you next year and have many more classes with you.

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be
  no moaning of the bar,
When I put out to sea.

For though from out
  our bourne of Time and Place
The flood may bear me far
I hope to see my Pilot
  face to face
When I have crossed the bar.

Dear Teachers,

We, the Senior Class want to express our deep and sincere appreciation for your time, self, and service. We want to thank you for sharing with us some of your knowledge through these past years of our high school life. Thank you for making this high school our second home, and for becoming our lasting friends.

When we go out into the world as adults we will try to make our lives worthwhile by using the knowledge we have gained while in this school, at home, and in church.

Remember us,
Class of '63

MAPLE LEAVES

Dear Students,

Our project is done at last! The ads were sold, the pictures labeled, and the layouts drawn! Despite undone homework and many late nights of work, the annual was finally completed. "Never, never again!" The editors were heard to shriek as they walked down the halls. We all started out with high hopes and dreams of making this annual the best yet, but as we the annual staffs in pervious years had found out . . . the job is overwhelming!

We have tried to make our annual one that will hold many memories . . .the band at a football game, cheerleaders, urging the team on to victory, banging of locker doors, an empty hall after school, a merry mob at the Hob-Nob, picnics at the lake, the last dance of the prom . . .and graduation.

Never will we forget these things for they are Dublin High School . . . a way of life dear to us.

You told me to sign my name so here it is "Jackie O'Dell." HA! No kidding I want to say something. I have enjoyed knowing you these past 2 years.

TRINKLE AND DOBYNS, INC.

Remember all our good times we had together in Elem. Wish we could have that kind of fun again. If you know what I mean. We could if we try. I still got a certain something you gave me. Remember our times at the football games in the 7th grade. I am glad to be riding Bus 18, for one good reason. Hope you know why.
